

91.7 FM WMSE 2017-18 FISCAL YEAR ANNUAL REPORT

ABOUT WMSE

91.7 FM WMSE is a non-profit, listener-supported radio service educationally licensed to the Milwaukee School of Engineering.

WMSE's on-air staff is made up of dedicated community volunteers who specialize in the genre that is featured on their respective programs. WMSE broadcasts from the downtown campus of the Milwaukee School of Engineering in Milwaukee, Wisconsin.

Funding for WMSE Radio is provided by the WMSE listening community through membership contributions and by area businesses through program underwriting. 91.7 FM WMSE is financially independent of the Milwaukee School of Engineering.

MISSION

- WMSE supports and extends the MSOE strategic plan by entertaining and educating members of our community by providing a wide selection of musical programming that they cannot readily hear elsewhere.
- To enhance the image of and bring tangible value to MSOE, the station's parent. To be an effective and creative public outlet for local artists who would otherwise receive little or no broadcast exposure in our community.
- To support and enhance the Milwaukee community.

VISION

- To energize, empower and reward all station listeners, donors, volunteers, staff, MSOE representatives and musicians, to a level of "community, trust and privilege."
- To increase WMSE's positive effect on our community by providing educational opportunities for Milwaukee's youth.
- To champion Milwaukee as a vital creator of culture by bringing WMSE to a national and international audience, establishing Milwaukee and WMSE as important musical destinations and bringing widespread positive exposure to MSOE.

THANK YOU

Thank you for making WMSE possible!

Members are the cornerstone of WMSE. The pure love of music and YOUR generosity is the reason WMSE exists. Because of you, WMSE celebrated its 37th year of being free-form, independent, and community-powered. WMSE's fiscal year ended June 30 and it was an extremely successful year.

On behalf of the staff and the volunteer DJs, I would like to express our gratitude for the opportunity you have provided us to serve our community. Our mission is reaffirmed daily through member support and engagement with our community. It is humbling to know how many lives WMSE touches daily.

I need to also recognize our hundreds of hardworking volunteers that contribute their time, effort, and sweat to make WMSE happen every day. Volunteers do everything that our small staff cannot and that is truly amazing.

Your support meant the successful completion of several major projects, which will have a lasting effect on the future of WMSE. Most visibly, our website got a huge makeover for the first time since 2013. Totally unshackled, our website is a reflection of our 37 years of free-form programming. Playlists and programs are now integrated providing listeners with a better experience.

WMSE also converted to a new membership software that cut down on administrative work, reduced overhead, and provides more options for WMSE members. MyMSE was also launched, a place for members to view and manage their contributions. Over the next fiscal year, WMSE will be strengthening our infrastructure. Fantastic videos of are being filmed each week documenting every Local/Live.

This year brought some big programming changes on WMSE. Several DJs are no longer with us and they will be missed dearly. Also, several new DJs joined the WMSE family. WMSE DJs continue a tradition of curating phenomenal shows each week. In every show, our DJs continuously push boundaries. Mindwebs was also launched this summer.

Member support means WMSE can continue to bring Milwaukee the best, most interesting, and broadest programming on the dial. WMSE has become an integral and irreplaceable piece of Milwaukee's music scene over the last 37 years. WMSE flourishes because of the powerful enthusiasm of its loyal members, supporters, volunteers, and staff. We cannot say thank you enough.

Thank you for being part WMSE.

Thank you,

Tom Crawford
WMSE Station Manager

WMSE IN THE COMMUNITY

Since 1981, WMSE has been an essential part of the local music scene and the Milwaukee community. We strive to be the best possible partner and support our community. Here are a few examples of how WMSE has partnered with nonprofits in our community:

- Assisted MSOE Servant-Leadership with Milwaukee Empty Bowls, an event on MSOE's campus to combat hunger in Milwaukee.
- Donated a portion of the Rockabilly Chili Fundraiser proceeds to the Milwaukee Fire Department Warm Up Winter program.
- Provided food collection opportunities for Hunger Task Force at the Rockabilly Chili Fundraiser (They collected more than 3,400 pounds of donated food—an increase of 100 pounds over last year)
- Invited Artists Working in Education (AWE) to provide art activities for kids at Rockabilly Chili Fundraiser, creating a more family-friendly environment
- Proud to partner with Roots Recovery House, an organization teaching young people how to recover from drug and alcohol addiction.

WMSE was a media partner for various area nonprofits in Milwaukee, including the Carnival of AWE, Chill on the Hill, Midwest Renewable Energy Association's Energy Fair, and many others. For the 10th consecutive year, WMSE partnered with Milwaukee Film to sponsor the Sound Visions Documentary Series at the Milwaukee Film Festival. WMSE was proud to also partner with organizations putting on events like Brewtown Rumble, Flat Out Friday, Pride Fest, Girls Rock, Locust Street Days, Summer Soulstice, Bay View Bash, Chill on the Hill, Summerfest, Pitchfork, Riot Fest, Black Arts Festival, Triple Eye Industry Fest, Psych Fest, MKE Punk Fest, Pabst Street Fest, Mitten Fest, Fat Fest, and many more.

WMSE also aired more than 17,500 public service announcements this fiscal year. Additionally, the pool of public service announcements has been greatly expanded and focused on local nonprofit groups in southeastern Wisconsin.

BACKYARD BBQ

The WMSE Backyard BBQ is our way of saying “thank you” to the community that supports us year-round. The seventh annual Backyard BBQ was held in Humboldt Park in Bay View for the second year. At the 2017 Backyard BBQ we saw amazing performances from The Koch-Marshall Trio, Whiskey of the Damned, Twin Brother, Diego’s Umbrella, and Alejandro Escovedo. The 9th Annual Backyard BBQ will be Aug. 24, 2019 at Humboldt Park.

BIG BAND GRANDSTAND

On Dec. 3, WMSE returned to the Turner Hall Ballroom to present the 4th Annual Big Band Grandstand Gala and Silent Auction with Dewey Gill presented by Jenny and Bob Hillis, in honor of Bob and Genie Friedman. The Tommy Dorsey Orchestra headlined this year's event and put on quite the show. The Milwaukee Youth Symphony Orchestra's jazz band, composed of middle and high school students in the MYSO Jazz Studies Program, opened this incredible night and celebration of jazz.

The Big Band Grandstand supports WMSE's jazz preservation project for the upkeep of more than 25,000 CDs, 33s, 45s and 78s in the station's jazz library, and digitization of new acquisitions. The event also supports the Jazz Now streaming 24 hours a day, seven days a week stream with 5,200 of hours of jazz streaming worldwide at wmse.org/jazzstream. The Big Band Grandstand helps to preserve and celebrate the music on WMSE's weekly jazz programs and "The Sunday Big Band Show" with Dewey Gill. Thank you for joining us for an evening of celebration and preservation of the unforgettable era of big band jazz and making WMSE's live jazz stream possible. We look forward to seeing you again at this annual celebration of jazz on Dec. 9, 2018.

THE 16TH ANNUAL ROCKABILLY CHILI FUNDRAISER

On March 11, approximately 4,000 people attended our 2018 Rockabilly Chili Fundraiser, hosted at MSOE's Kern Center. The event featured a chili contest between some of Milwaukee's top restaurants for best meat, best heat, best veggie, best display, and most unique. The separate contest between Milwaukee Fire Department firehouses for the best Firehouse Chili helped draw attention to MFD's Warm Up Winter program—collecting coats for children who need them. Milwaukee Brewing Company provided thirst-quenching beer to sooth burning mouths. The Hunger Task Force collected over 3,400 pounds of nonperishable food to help end hunger in the greater Milwaukee area! The arts and crafts area for kids was provided by our good friends at AWE. Our annual chili pepper races were held throughout the day at the Kern Center's running track. All of which made for a great day, raising more than \$68,000 toward supporting the independent music programming on WMSE.

ART & MUSIC

WMSE's second Annual Art & Music Fundraiser and Auction was held April 6 at the Historic Pritzlaff building and was a resounding success with more than 1,200 people in attendance. Over 250 artists created a piece on one of the 12-by-12-inch wooden boards or painted live at the event. The Erotic Adventures of Static Chicken provided live music for the event and Reggae Vibration DJ, Robert G. spun in the other room. Miss Molly's Cafe, Café Lulu, Nightmares Food Truck, the Hi Hat/Garage, Dan Dan and Transfer Pizzeria and Café provided complimentary food. Craft cocktails were provided by Great Northern Distilling and Enlightened Brewery provided the beer. WMSE was able to raise over \$41,000 during this event. We are looking forward to next year on April 5, 2019.

OTHER SIGNIFICANT HIGHLIGHTS OF WMSE'S 2017-2018 FISCAL YEAR:

Drew, MSOE alumnus and host of Poundcake Punk on Thursday mornings, collaborated with Company Brewing to produce our fourth version of WMSE's SMASH, a single malt and single hop beer. Throughout the summer, WMSE featured SMASH at parties with various partners. SMASH 2018 officially launched in June and was brewed with Wisconsin hops and malt.

WMSE's fourth Record Store Day release is a 7-inch featuring Milwaukee's Abby Jeanne on blue and yellow vinyl.

WMSE hosted many other noteworthy events including the fourth annual Rock N Roll Bowl, a Dance Retrospective at Mad Planet, and WMSE broadcasted live from the Riverwest 24 for 24 hours straight!

The Friday Night Freak Show is rolling strong! Once a month WMSE DJs spin before a late night showing of a cult classic film at the Times Cinema.

WMSE, along with MSOE, participated in Doors Open Milwaukee, as well as broadcasted remotely from the Grohmann Museum during Gallery Nights.

On the Modern Chamber, WMSE broadcasted MSO on Stage, the country's longest-running national classical radio series, featuring the Milwaukee Symphony Orchestra 2016-17 seasons, courtesy of WFMT.

WMSE launched a new website in May along with MyMSE.

LOCAL/LIVE

Every Tuesday, WMSE welcomes a Milwaukee-area artist into the Bob and Genie Friedman Live Performance Studio to perform a full set live on the airwaves from 6 to 7 p.m. with hosts Erin Wolf, WMSE's Music Director, and Cal Roach, WMSE DJ and Milwaukee music writer, for our long-running Local/Live program.

The hosts collaborate to book, curate, feature, and converse with musicians primarily from the Milwaukee area. WMSE engineer Billy Cicerelli is at the helm of each weekly band performance, creating an unbelievable live sound. We saw a great variety of bands come into WMSE's studio and Club Garibaldi, including Liv Mueller, Snag, GGOOLLDD, Juiceboxxx, Bo & Airo, Devil's Teeth, Fox Face, Northless, King Eye & the Squirts, Altered Five Blues Band, Nickel & Rose, Xposed 4Heads, Pleasure Thief, Dead Horses, Field Report, Slow Walker, Klassik, Buffalo Gospel, Tigernite, Greatest Lakes, Gas Station Sushi, Shle Berry, Paper Holland, Sista Strings, and many more!

REVENUE AND EXPENSES

This fiscal year success is evidence of belief in our mission and our community's love of music.

Member support keeps us independent and providing amazing programming every day. WMSE's income exceeded \$600,000 this year and was 7% over last year.

Every year, more Sound Citizens join the sustaining membership program. This has reduced the on-air goals of the Membership Drives so that DJs can continue to bring you the music you love. Monthly giving in FY 2017-18 surpassed \$94,000 and has doubled in the past five years.

This fiscal year was huge a year for WMSE to make investment into technology and our infrastructure. WMSE's new website was the first major overhaul in over five years. The new website now integrates the playlists and archive for a better experience, as well as other features. WMSE also made an investment into a new membership system, giving members access to their information through MyMSE, adding Direct Donation, and several other features.
